PALBOARD™
Co-Extruded Multilayer PVC Sheet
for Signage and 3D, POP and Retail Display Creations

NOW AVAILABLE

3 LAYERS:
White/Black/White

3 LAYERS:
White/White/White

Palboard 3D has bright white, rigid, ultra-smooth PVC surfaces with a black or white foam PVC core. Rigid exterior layers offers better structural strength than standard foam PVC. Palboard3D is almost 50% lighter than aluminum composite material (ACM) with easier workability. Plus, Everclean™ protective film is standard on one side of every sheet. Designers know it’s the only substrate of its kind to spark your wildest 3D ideas! Create WILD!

Trade show display fabricated with 5mm and 10mm Palboard 3D. No adhesives. No fasteners. All tab and slot construction.

Main Benefits of PALBOARD

- Ultra smooth and uniform surface
- EverClean™ Protective Film standard, one side
- Bright white surface allows for excellent color reproduction
- Excellent ink adhesion
- Easy, smooth CNC routing and cutting
- Dense black or white foam PVC core provides an attractive edge
- Rigid yet lightweight with high structural strength
- Solid PVC surface resists dents & scratches
- Recycled, lightweight foam PVC core
- Excellent chemical and fire resistance
- Good electrical and thermal insulation
- A true co-extruded sheet, not a laminate

Flammability

3D Applications

- POP and retail 3D displays
- Fabricated & structural parts
- Exhibits and kiosks
- Digital and screen printing
- Routed & relief lettering
- Industrial, construction, retail, and advertising signage
- Tradeshow booths and displays

PALBOARD 2D

2D Applications

TWO-LAYERS - White/Black
Palboard 2D has a white, solid, ultra-smooth PVC surface with a black foam PVC back. Ideal for signage requiring attractive black edges and back. And like Palboard 3D, the uniform, smooth surface is bright white to provide vibrant color. It’s the perfect complement to your Palboard 3D displays!

- POP and retail display signs
- Digital and screen printing
- Routed & relief lettering
- Rich, black edge and back make Palboard 2D ideal for stand-offs

Palboard: Tested and approved by the world’s largest digital printer and cutting systems manufacturers.
