

Ultraflex has pioneered the development of quality media for HP Latex ink technology. Through extensive testing and qualifications, Ultraflex is among the first in the industry to offer a variety of products that are **Certified for HP Latex Inks**.

Materials have been hand-selected to offer customers a versatile and diverse range of products for certification including front-lit banner vinyl, blackout banner vinyl, vinyl mesh with liner, repositionable fabric, art-canvas, earth-friendly fabric and wallpaper. Products have been tested and certified for superior compatibility with the following HP Latex printers: HP Latex 260, HP Latex 280, HP Latex 820, HP Latex 850, HP Latex 300 Series, HP Latex 3000 Series, HP Latex 500 Series and HP Latex 1500 Series. In order to achieve certification, products have successfully passed a comprehensive testing process.

The products listed have been certified for HP Latex inks and have an ICC profile available under the HP Latex certification. To download ICC profiles, visit the Ultraflex website, ultraflex.color-base.com and enter in the corresponding Profile ID.
