

# CELTEC WOODGRAIN

TEXTURED EXPANDED PVC

## ADD NEW DIMENSION TO DIGITAL SIGN CREATIONS

Celtec® Woodgrain launches our Textured line of signboard material, adding eye-catching dimension to digitally crafted signage by giving print service providers a new level of design flexibility with the same quality and production ease of our Celtec® Expanded PVC.

Designed for wide format display applications that demand the highest quality sign materials, Celtec® Woodgrain adds a striking cedar-like texture to any graphics display. A versatile, durable solution for artistic expression perfect for stand-out signage, exhibits, POP and other applications requiring printed or unprinted textural surfaces.

### Enhance Creativity

With textural contrast on otherwise flat surfaces

### Enjoy Versatility

For indoor & outdoor printed signs or structural trim

### Improve Throughput in Finishing

Reduce manual touchpoints with clean cut edges, superior ink adhesion & easy fabrication

### Reduce Costs

Using our durable, lighter-weight, low-maintenance wood alternative

# CELTEC WOODGRAIN

## TEXTURED EXPANDED PVC

### TOP APPLICATIONS:

- Point of Purchase Displays
- Signage
- Store Fixtures
- Exhibits & Kiosks
- Wayfinding
- Dimensional Letters
- Display Boards
- Interior Décor

### COMPETITIVE ADVANTAGES

(vs. similar materials):

- Superior UV Performance
- Contains No Heavy Metals
- Die Cuttable
- Optimal Density for Superior Performance
- Short Lead Times for Custom Sizes & Colors
- Oversized Sheets
- All Materials Produced in the U.S.

### KEY MATERIAL BENEFITS:

- Printable - Digital & Screen
- Light Weight
- Easy to Fabricate, Paint, or Laminate
- Excellent Fastening Characteristics
- Superior Flame Retardant Properties

### COMPLIANCES:

- UL 94 V-0
- UL-1975
- FDA Incidental Food Contact
- RoHS Compliant
- REACH Compliant

<b>COLORS</b>	<b>WHITE</b>
<b>THICKNESSES</b>	<b>12MM (.5"), 19MM (.75"), 25MM (1")</b>
<b>FINISH</b>	<b>WOODGRAIN</b>

Standard sheet size in most thicknesses and formulations is 4' x 8'.  
Custom sizes available upon request.
